

Re-Introducing Alerts

Real time account alerts—
on the activities you want to monitor.
When it happens, you'll know.
Talk about a feeling of security!

COMING

SOON!

Monterey County Bank's upgraded Alerts service will let you know the moment something important happens in your account. With Alerts you'll always know exactly what's happening with your money and you can watch for suspicious activity. Establishing account Alerts will be quick, easy and available at no charge*!

1

Log on to Internet Banking.
Select Alerts.

2

Click each Category in Alert
Options to view the list of
available alerts.

3

Select the Alerts you want to
receive for each account. Then
check how you would like to
receive them, and Save.

You'll receive a message the moment
any of your alerts are triggered.
It's that simple!

Messages will be sent instantly using any of
the delivery channels you choose:

Text Messages*

One of the easiest ways to receive Alerts is through text messages on your mobile device.

Email*

Receive email messages about your account activity.

Internet Banking Message Center

View your Alerts any time you log on to Online Banking.

Questions regarding your Internet Banking account or don't have access?

Visit or contact your local branch to speak with a representative to learn more or get set up today!

ANTICIPATED RELEASE: JANUARY 2019

visit www.montereycountybank.com for the latest updates and information

DISCLOSURE:

If you are currently enrolled in the existing alerts service, please note that current alerts **may not** transfer to the new Alerts system. Upon release of the new Alerts service, we recommend you re-enroll and review/establish any alerts you wish to receive.

*Text and data rates may apply from your service provider(s).
